We gratefully recognize the generosity of our donors with this listing of those who have contributed financial support to The AnMed Health Foundation during our most recent fiscal year (Oct. 1, 2011 – Dec. 31, 2012). In all cases, we have attempted to be as accurate as possible and have made every effort to include everyone and list all names correctly. Please let us know of any corrections or omissions by calling 864.512-3477.

We extend a warm welcome to new donors who joined the family of Foundation supporters this year and express our sincere thanks to these new members and to our loyal donors who have contributed in years past.

By investing your dollars in community health through The AnMed Health Foundation, you are giving a gift for a lifetime. Thank you for caring enough to give and doing your part to improve the life and health of our community.
